C'EST BON

FISHER SCHOOL

LAFITTE, LA.

FROM THE STAFF . . .

In appreciation for the services, time, and effort devoted to the making of this yearbook; we, the C'EST BON staff, wish to thank everyone who helped in its production.

In addition, our thanks to -------

Mrs. Harvey, our principal for her complete cooperation and understanding; and for her assistance to the staff. Also for the years of service she has given to the making of the Fisher High School which has benefitted not only the students but also the community.

And to our graduating Seniors, for their good example which following classes can emulate.

Most of all, we the C'EST BON staff of 1974-75 would like to thank Mrs. Doris Watts, our sponsor, for her unselfish and untiring efforts in helping to make our yearbook a success. In addition, we thank her for the long hours she spent with us in the Resource Center, trying to meet a deadline, long after school hours. We are proud to have been able to work under such guidance and we are glad we had her spark of enthusiasm to keep us going. Without her inspiration and teaching; this, your 1975 C'EST BON; would not have been possible.

Mrs. Doris Watts, We Thank You . . .
